QUICK LANE BOWL MISSION

The Quick Lane Bowl was created to annually host a premier college football bowl game in Detroit, Michigan, to provide a first-class experience to the participating conferences, participating institutions, student-athletes and fans, to promote the City of Detroit and contribute to the economic revival of Southeast Michigan, and to support community and youth groups that have adopted athletic and leadership development programs dedicated to football in the City of Detroit.

QUICK LANE BOWL HISTORY

Ford Field has been home to many college football bowl games, and the Silverdome before that. After hosting college bowl games for nearly three decades at their home stadium, the Detroit Lions wanted to take part in the tradition by bringing their own bowl game to Ford Field. The bowl game received its name in August of 2014 when the Detroit Lions announced that Quick Lane, Ford Motor Company's Tire & Auto Center chain, would become the title sponsor. 2019 will be the sixth year of a multiyear agreement for Quick Lane Tire and Auto Center as the title sponsor.

2108: University of Minnesota Gophers over the Georgia Tech Yellow Jackets, 34-10

2017: Duke Blue Devils over the NIU Huskies, representing the MAC conference, 36-14

2016: Boston College Eagles over the Maryland Terrapins, 36-30

2015: University of Minnesota Gophers over the Central Michigan University Chippewas, representing the MAC conference, 21-14

2014: Rutgers Scarlet Knights over the North Carolina Tar Heels, 40-21

The Detroit Lions own, host and operate this college football bowl game. The team's entertainment division, DLI Entertainment, has promoted multiple large-scale shows and events at Ford Field, including ten sold-out Kenny Chesney concerts, Taylor Swift, U2, the 2003 Basketbowl, 2008 NCAA® Men's Basketball Regionals, 2009 NCAA® Men's Basketball Final Four and the 2010 NCAA® Men's Ice Hockey Frozen Four.

The Detroit Lions are committed to maintaining postseason college football in Detroit and keeping the city in consideration for the Big Ten Championship game, and potential College Football Playoff games. The team is instituting a new winter tradition in Detroit with the Quick Lane Bowl. It is a time for families from all over to get together after the holidays to enjoy two prestigious schools facing off to earn a bowl game victory.

About the Detroit Lions

Policies

The Quick Lane Bowl reserves all commercial rights to the use of still photographs, films, and videotapes of the Quick Lane Bowl. All rights to such material may be assigned to media representatives for news purposes but otherwise are to be controlled exclusively by the Quick Lane Bowl. The sale of photographs or videotape footage of the Quick Lane Bowl by any organization or individual without the written consent of the Quick Lane Bowl is strictly prohibited.

Internet Policies:

- The Quick Lane Bowl will grant a media organization a limited license to use certain gathered information on the media organization's own web site beginning at the start of the Quick Lane Bowl and up to the conclusion of the event, subject to the following limitations and conditions:
 - Still photographs must be used on a time-delayed basis that is at least five minutes after the occurrence of the event depicted by the still photograph.

- It is agreed that video tape is NOT to be used on an Internet or online site, except video tape that is shown as part of a single, non-archived, online “simulcast” of a television station’s regularly-scheduled news program.
- While the game is in progress, the use of textual statistical information is time-delayed and limited in amount. Updates pertaining to score will only be given in quarterly game updates. Injuries and national, conference or institutional record-breaking performances will be limited to a condensed half-time story so that an organization’s online game coverage does not undercut the authorized and rights-paying fee organization’s rights to play-by-play accounts of the game and/or exclusivity to such rights.
- Any proposed media use on a web site of the game information that is more detailed and/or more than described above will require separate written authorization by the Quick Lane Bowl and/or its participating institutions. However, such written authorization will not permit the use of game information in entertainment contexts and will not authorize game coverage that, due to immediacy or detail, constitutes or approaches a play-by-play account of a game.
- Should any of these conditions be breached during the Quick Lane Bowl game, the media organization holding issued credentials will have them revoked and will be removed from Ford Field. No non-rights holder online service will be allowed “real time” transmission of the Quick Lane Bowl Game without approval.

Print Photography Policies:

- A visible credential issued by the Quick Lane Bowl Media Relations department is required for admission to Ford Field, the Press Box, the Press Conference room and the field. Each person shall adhere to the conditions printed on the credential.
- A photographer approved to work on the field should secure a photo bib. The photo bib is valid ONLY in conjunction with a visible photographer credential. The bib **MUST BE WORN TO BE VALID**. Those photographers not wearing a bib while on the field will be escorted off the field and have their credential revoked.
- Photographers working on the field are restricted to the area between the 20-yard line and the back of the end zone. No photography will be allowed behind the teams’ benches.
- Photography equipment cannot be attached to the goalposts or left unattended.
- Tripods are NOT PERMITTED on the sidelines at any time. Monopods are permitted on the sidelines.
- Photography messengers cannot loiter around the playing field or obstruct the view of any seat holder. Those in violation will have their credential revoked and be escorted from Ford Field.
- Photographers should claim rosters, notes and play-by-play and statistical information from the Photographers Workroom, located in the basement level, across from the Field Access Tunnel.

Pool Reporter Policy:

Upon request from the media for a rules interpretation, a pool reporter will be selected by the Quick Lane Bowl Media Relations Department for the purpose of obtaining that interpretation from the chief of the officiating crew. After a 10-minute cooling-off period, the media director or his designee will accompany the pool reporter to the official’s dressing room. The officials may not be interviewed concerning judgment calls. It is up to the official as to his/her participation in the interview.

Radio/TV Policies:

- No live or tape-delayed broadcast of any portion of the Quick Lane Bowl outside of those regulations covered above is permitted without the prior consent of the Quick Lane Bowl.
- Coverage cannot be in excess of five minutes of highlights, utilizing play-by-play from only the ESPN TV or national broadcast, and may not purport to be live, play-by-play coverage from the event.
- All highlights must be part of a regularly scheduled news and/or sports program.

QUICK LANE BOWL | 2019

FORD FIELD

Video Photography Policies:

- A visible credential issued by the Quick Lane Bowl Media Relations department is required for admission to Ford Field, the Press Conference room, locker room, Press Box, suite level and field. Each person shall adhere to the conditions that are printed on their credential.
- All photographers – still and video – must secure a photo bib before access will be granted to the sideline. There will be limited upper-level access for game action footage for photographers only, prearranged through the Quick Lane Bowl Media Relations department. Only credentialed camera persons will be allowed on the field during pregame, game time and postgame. Postgame interviews are permitted on the field at the permission of each school's athletic department only after rights holders' requests have been accommodated.
- A television station, network or cable system can utilize a maximum of five minutes of game action on a sports news broadcast, using only the footage from ESPN, and must credit ESPN when replaying. Game coverage may be presented only after the game has been completed. A television station, network or cable system cannot provide game footage to any individual or agency.
- No live reports may be broadcast from the field from one hour before kickoff until ESPN has discontinued its live coverage after the game. Non-live stand-ups will be authorized by the Quick Lane Bowl in a designated area in Ford Field for a limited amount of time.
A member of the Media Relations department will coordinate use of this area. No live shots inside Ford Field will be allowed at any time other than the times dictated by the Quick Lane Bowl's contracted network television rights holder (ESPN).
- All media members permitted on the field must remain in the designated area, between the 20-yard line and the back of the respective end zone. No videotaping will be allowed behind the teams' benches.
- No production company, television network, station, or cable system may install editing or transmission facilities at Ford Field (internally or externally) without permission of Bowl staff.
- Tripods are NOT PERMITTED on the sidelines. Monopods are permitted on the sidelines during game.

Postgame Interviews

Head coaches and at least three student-athletes from each team shall be available for formal postgame interviews.

- Each school's head coaches' first obligation is to all media attending the Quick Lane Bowl, regardless of any personal regular-season radio or television contracts, and must report to the press conference room immediately after the cooling-off period. The coach cannot delay the postgame press conference to conduct an interview for a single radio, newspaper or television reporters unless requested by ESPN (not to exceed four minutes). After fulfilling the commitment to the entire media contingent at the Quick Lane Bowl, the coach and student athletes may participate in specially arranged interviews.
- Cooling-off Period:
There will be a 10-minute cooling-off period for the runner-up which will begin immediately after the game ends. Following this, the head coach will appear at the postgame press conference. The scoreboard operator shall start the clock at 20 minutes when the postgame trophy presentation ends. The winning team will be entitled to this 20-minute cooling-off period. After the 20-minute cooling-off period, the winning team's head coach will appear at the postgame press conference. Additional student athletes will be brought to the Press Conference Room.
- Locker Rooms:
The Quick Lane Bowl urges each school to institute a 30-minute open locker room policy for postgame media access following the cooling-off period, but ultimately leaves the decision up to each institution. Equal access to the locker room will be provided for all reporters, regardless of gender.

- **Television and Radio Rights holders:**
If requested, the winning coach, runner-up coach and winning student-athletes shall grant postgame interviews, not to exceed four minutes, to the rights holding television and/or the rights holding radio network, provided the networks are still providing live coverage from the facility. The media coordinator from each team, not the television or radio network, will be responsible for terminating the four-minute interview period. The rights holding television network will have the first choice of individuals to interview, then the rights holding radio network. The networks cannot inordinately delay the coaches' and student-athletes' return to the locker room. If the networks are not prepared to conduct live interviews immediately, it will be necessary for the interviews to be taped. Any interview with the runner-up coach should be conducted off the field, near the locker room.
 - ESPN TV will interview the winning coach on the field immediately following the completion of the game, while ESPN Radio will interview the MVP. The two interviewees will then swap.

Practices

- The Quick Lane Bowl strongly encourages that a portion of practice is open for media that regularly cover the team.
- It is mandatory to designate a non-stretching period of practice for access to the Quick Lane Bowl house camera. Video captured by the Quick Lane Bowl will be shared with local and national media at the team's discretion.
- After practice, there is mandatory media availability for the head coach. Student-athlete availability is also strongly recommended.
