Old Fashioned

This quintessential cocktail was originally crafted in the early 1800's, becoming one of the the first whiskey cocktails. It is known for its balance of bitter, sweet and spirit with an added hint of orange peel.

Whiskey Smash

This classic cocktail appeals to both whiskey lovers and whiskey skeptics alike. Think minty like a Mojito but with lemon and whiskey instead of lime and rum.

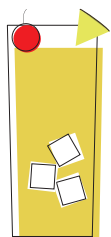

Lemon Drop

The Lemon Drop martini is as tasty as its candy namesake but with the added bonus of vodka. This martini makes for a sweet and sour lemon cocktail which is perfectly complemented with a sugar rim and lemon.

Sex on the Beach

This vodka cocktail blends fruity flavors with one of the most customizable spirits. Enjoy juicy peach, pineapple, banana, cranberry and a hint of lemon flavor for a sweet and tropical experience.

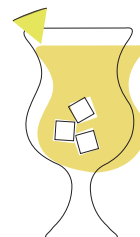

Rum Breeze

Packed with tropical pineapple, banana, blackberry, orange and a splash of grenadine, the Rum Breeze is paradise in a glass.

Painkiller

If you're in need of an escape to a tropical island, try this sweet and fruity blend of pineapple, orange and coconut - think piña colada flavors with an orange juice and spiced rum twist.

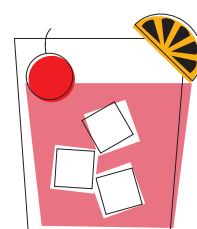

Blackberry Margarita

The Blackberry Margarita provides sweet and slight tart berry notes with undertones of honeyed fig to create a juicy and jammy combination.

Tequila Sunrise

The classic brunch tequila cocktail mixes orange juice with sweet grenadine cherry notes.
