**TO FIGHT CANCER,
WE NEED A TEAM!**

Game On Cancer is a Henry Ford Health Systems initiative to fight and win the game against cancer. Game On Cancer provides assistance to patients that removes barriers to cancer care and provides critical cancer research funding.

Our mission: to provide a platform for funding groundbreaking research, enhancing patient care by alleviating barriers or burdens, and by supporting clinical programs that allow for the best in class cancer care. 100% of funds raised through Game On Cancer are directed to our mission.

Join Game On Cancer and level the playing field by raising money for cancer patients and their families. Are you ready to get in the game?
