DID YOU KNOW?

The Atlanta NFL team was established in June 1965, but it didn't have a name yet. The franchise held a contest a year before the team played its first game to name the NFL team. Although several people suggested the Falcons, a teacher named Julia Elliott was deemed the winner because in her essay she wrote, "The falcon is proud and dignified, with great courage and fight. It never drops its prey. It's deadly and has a great sporting tradition."
